# OUTSTANDING EXHIBITOR AWARDS

The Outstanding Exhibitors are selected from among all participants within a category by an impartial panel of judges and is based upon cooperation with other exhibitors, leaders, and management. The exhibitor so chosen will have demonstrated: leadership ability, knowledge of show rules and regulations, showing of his or her animal, cleanliness (both personal and in and out of the arena), and an inspirational attitude toward others.

The management of the Chino Fair feels that these are the most important awards that can be presented to an exhibitor because it is symbolic of the characteristics essential in the development of outstanding citizens and leaders. This honor will be awarded only one time to any given individual.

# Exhibitor Code of Conduct for Participation in the Chino Fair Market Competition

As an animal exhibitor in the Chino Fair Livestock Program:

I believe my participation should demonstrate my own ability, knowledge, and skill. I understand the need to be responsible for developing the skills necessary to take my animal from the farm to the show ring. I understand that no adult may take responsibility for the washing, grooming, fitting, handling, and showing of my animal(s).

I will follow the competition rules, and will not use abusive, questionable, or unethical techniques in the feeding, caring, fitting, and showing of my animal(s). I will not resort to fraudulent, illegal, or deceptive practices while fitting or preparing the animal for show. I also will not allow my parents, supervisor/ leader, or any other adult or minor to employ such practices on my animal(s).

I have read and understand the rules and regulations found in the Contest Book. I have asked my parents and the supervisor/leader of my project not to break the rules or make exceptions on my behalf. I want my animal project to be an example of how to accept what life has to offer – good and bad - and how to live with the outcome.

I realize that I am responsible for:

- The proper care and humane treatment of my animals.
- The production of wholesome food if my exhibit animal is designated for market.
- The development of sound moral character in myself.

Under penalty of perjury, we the undersigned certify that:
